About Wound Week™ 2020

Wound Week™ 2020 is an innovative, unparalleled educational opportunity that will feature superior content delivered by multidisciplinary faculty with true clinical expertise. This conference will allow clinician driven training and education in wound care, vascular and hyperbaric medicine. In addition to education and training, this meeting will offer unmatched clinician networking and focus groups comprised of the leadership of the various societies, allowing open discussion for ideas in planning future events; where the strength of partnership and teamwork though unification can be realized.

The American Professional Wound Care Association (APWCA) is the Host Society for Wound Week™ 2020. The Education Planning Committee (EPC), under the leadership of the APWCA was comprised of members of the participating societies. The EPC provided input to create the agenda and determine the content for the preconference and main conference sessions. The EPC also suggested content experts that could be selected to serve as faculty. Special tracks with emphasis on clinically relevant evidence-based practice standards will focus on specific subject matter, with content delivery by speakers from the various societies. The APWCA serving in its capacity as Host Society finalized the agenda, coordinated the faculty, obtained the accreditation and assumed responsibility for the operationalization of Wound Week™ 2020.

Host Society

- American Professional Wound Care Association (APWCA)

Participating Societies

- American College of Clinical Wound Specialists (ACCWS)
- American College of Hyperbaric Medicine (ACHM)
- American Professional Wound Care Association (APWCA)
- Association for the Advancement of Wound Care (AAWC)
- Asociación Mexicana para el cuidado integral y cicatrización de heridas (AMCICHAC)

Endorsing Organizations

- International Surgical Wound Complications Advisory Panel (ISWCAP)
- Serena Group® Research Foundation (SGRF)

Registration

Registration for Wound Week™ 2020 includes a continental breakfast, coffee breaks, lunch, reception and the program syllabus. Note that all fees are quoted in U.S. currency. Members of a participating society must provide a registration number and have 2020 dues paid in order to receive the member discount. Registration for the meeting can be made either by using the registration form in this brochure or through the Wound Week™ 2020 website at www.woundweek.com.

Early Bird Registration Deadline

The registration deadline to receive a 15% early bird discount is February 15, 2020.

Physician Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Cine-Med and the American Professional Wound Care Association. Cine-Med is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Ciné-Med designates this live activity for a maximum of 20 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nursing Accreditation Statement

This activity is approved for 20 contact hours for Nurses.

Podiatrist

This activity has been planned and implemented in accordance with the standards and requirements for approval of providers of continuing education in podiatric medicine through a joint provider agreement between Ciné-Med and the American Professional Wound Care Association. Ciné-Med is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. Ciné-Med has approved this activity for a maximum of 20 continuing education contact hours.

Physical Therapists

The Wisconsin Physical Therapy Association has certified that this activity meets the criteria for approval of Continuing Education. This activity has been approved for 20 CE hours (CEUL049441).
Non-Physicians

Non-physicians participating in this activity will receive completion certificates verifying that the activity was designated for AMA PRA Category 1 Credit(s)™.

Disclosure of Conflicts of Interest

Ciné-Med requires instructors, planners, managers and other individuals and their spouse/life partner who are in a position to control the content of this activity to disclose any real or apparent conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations.

Disclosure of Unlabeled Use

This educational activity may contain discussion of published and/or investigational uses of agents that are not indicated by the FDA. APWCA does not recommend the use of any agent outside of the labeled indications.

The opinions expressed in the educational activity are those of the faculty and do not necessarily represent the views of any organization associated with this activity. Please refer to the official prescribing information for each product for discussion of approved indications, contraindications, and warnings.

Disclaimer

Participants have an implied responsibility to use the newly acquired information to enhance patient outcomes and their own professional development. The information presented in this activity is not meant to serve as a guideline for patient management. Any procedures, medications or other courses of diagnosis or treatment discussed in this activity should not be used by clinicians without evaluation of patient conditions and possible contraindications on dangers in use, review of any applicable manufacturer’s product information, and comparison with recommendations of other authorities.

Certificate Instructions

Participants will receive an email within four (4) business days after the meeting with a link to complete the required evaluation and download certificates in PDF format.

Special Needs

The APWCA fully complies with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If any attendee in this educational activity is in need of accommodations, please contact the APWCA at (414) 488-3913.

Cancellation Policy

Cancellations received through February 16, 2020, will receive a full refund. Cancellations received from February 17, 2020 through March 15, 2020 will receive a refund of 50 percent. Refunds will not be given after March 16, 2020. Cancellation of a meeting registration must be submitted in writing. Refunds will be determined by date written cancellation is received at the APWCA office in Milwaukee, WI.

OVERALL LEARNING OBJECTIVES

Following this activity, participants should be able to:

• Identify chronic wounds and distinguish ulcers of all etiologies including: diabetic, surgical, arterial and venous insufficiency, atypical wounds, and pressure ulcers.

• Discuss wound healing physiology and recognize how to identify and correct factors that can disrupt normal wound healing trajectories.

• Describe general diagnostics and treatment strategies to manage ulcers of various etiologies.

• Explain surgical and non-surgical wound management protocols and discuss various treatment options including advanced and adjunctive therapies.
